New Title Aims to Help Readers Get Their Prayer Time Back

Author has filled his book with over 1,000 prayers inspired by the Holy Spirit

MAITLAND, FL— The entire world is driven by information. Who has it and how to get it faster? This mentality, while effective for business purposes, is crippling every Christian's walk with the Lord. In this day and age, finding five minutes to sit down and say a prayer is almost impossible for some, until now. Matthew O'Dunlami's new book, ***Holy Spirit Manufactured Prayer*** (\$20.99, paperback, 978-1-59160-924-7; \$32.99, hardcover, 978-1-61904-357-2; \$9.99, eBook), is full of devotional prayers with detailed, kingdom-minded prayers inspired by the Holy Spirit. O'Dunlami helps his readers understand how to pray effectively, which in turn will activate the Angels of the Lord to bring blessings.

"Do not just pray, but pray with understanding," urges the author. "This book contains daily devotional book packed with over 1,000 prayer points which includes scriptural based Declarations and Confessions engineered through the power of Holy Spirit to target all possible areas of life and will change your prayer life forever. In the book of Acts (6:4), the Scripture told us, 'but we will give ourselves continually to prayer and to the ministry of the Word.'"

Matthew O'Dunlami was born into Christianity over fifty years ago. His parents raised him to live a life that would bless the Lord and he has done just that. For the past fourteen years he has operated in the position of prophet and prophetic ministry. O'Dunlami believes prophetic prayer must be aligned and confirmed with scriptures when released to the spirit realm. He has preached the gospel to nations as a seasoned minister of the Word of God and a member of the Redeemed Christian Church of God worldwide.
